

INSTALLATION

[TILT REMOVAL]

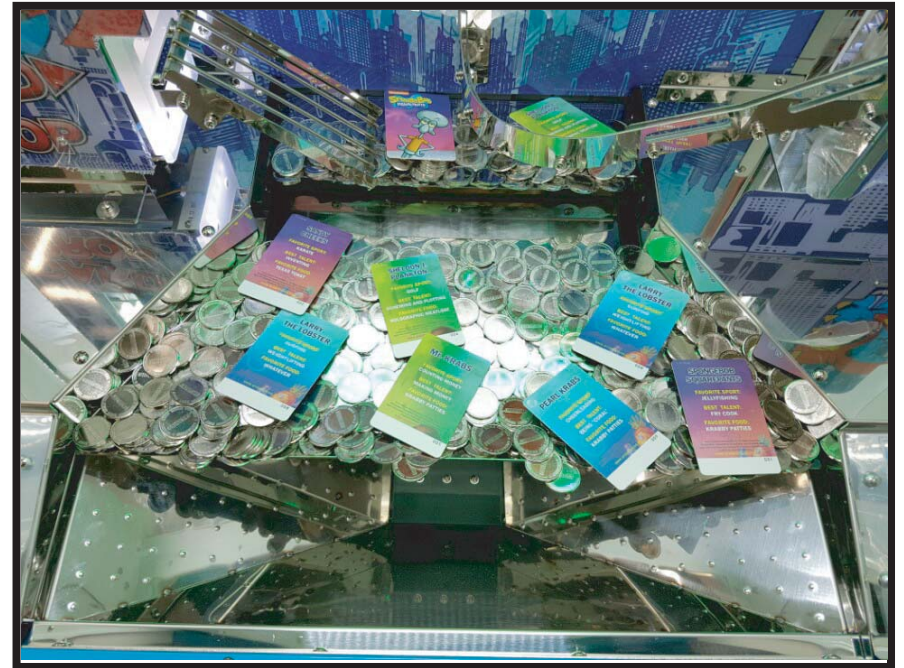

- * TILT ASS'Y is located on the right side if you open the front door side top of 2P case.

- Tilt Alarm : Using Nipper (or similar tools), please cut off the tie around Tilt Alarm.

- * In case tilt location is not balanced after installation, please adjust it to locate on the center by moving the weight and nut of a Tilt.

[CARD SET UP]

- Initial game set up : 10~12 cards
8~10 at all times
